Case No. C17-1273RSM

ORDER OF DISMISSAL

16 On August 23, 2017, this case was transferred in from the United States District Court  
17 for the Central District of California. *See* Dkts. #4 and #5. That same day, the Court issued a  
18 letter to *pro se* Plaintiff Jeffrey Bray noting that he had not paid the filing fee or submitted an  
19 application to proceed *in forma pauperis* (“IFP”) in this matter. Dkt. #6. That letter requested  
20 that Mr. Bray correct this deficiency and stated “[i]f your response to this letter is not received  
21 by September 22, 2017, the action may be subject to dismissal.” *Id.* The Court has received  
22 nothing from Mr. Bray after waiting several weeks.  
23

24 Considering all of the above, and the remainder of the record, the Court concludes that  
25 dismissal of this case is warranted for failure to pay the filing fee or submit an IFP application.
